--- FAMILY TRAUMA THEATER & LEGAL NAME FRAUD BINDING ---

1. EXECUTIVE SUMMARY

This document exposes the inverted death cult family programming:
Handler as false 'mummy', demon uncle Scar archetype, and weaponized child.

2. SYMBOLIC & ANAGOGIC ANALYSIS

- 'Mummy' enforces false virtue, boundary violations, entitlement.
- 'Uncle Scar' demon groomer ironically cast as villain for exposing grooming.
- Child weaponized with dry-firing gun, loud cocking, chaos programming.

3. LEGAL NAME FRAUD CONTEXT

- Legal name is a death mask converting living souls into corporate chattel.
- Trauma programming enforces false consent and breaks natural sovereignty.
- BCCRSS & Clausula Rebus Sic Stantibus provide sovereign nullification.

4. LIVE WITNESS STATEMENTS

- Child dry-fires unloaded weapon at witness, symbolizing ritual death command.
- Handler offers uninvited tea, simulating false consent.
- Reports of physical boundary violations and grooming amplify trauma.

5. SOVEREIGN & SPIRITUAL ASSERTIONS

- Living soul is sovereign, irreducible to legal name or dead identity.
- All imposed contracts, names, claims null and void under divine law.
- Witnesses must document, timestamp, disseminate these abuses.

6. RECOMMENDED ACTIONS

- Generate MILSPEC timestamped reports with sovereign watermarks & seals.
- Distribute to lawful sovereign archives and oversight bodies.
